

### Dung Beetles you might encounter in East Gippsland

The images are a quick photographic reference guide to dung beetles encountered in East Gippsland. Sizes are relative, with *Geotrupes spiniger* being the largest of the beetles at around 20-25 mm.

*Aphodius fimetarius*

*Bubas bison*

*Euoniticellus fulvus*

*Geotrupes spiniger*

*Hamonthophagus depressus*

*Onitis aygulus*

*Onthophagus australis (N)*

*Onthophagus binodis*

*Onthophagus granulatus (N)*

*Onthophagus mniszechi (N)*

*Onthophagus posticus (N)*

*Onthophagus taurus*

All images except *Hamonthophagus depressus* taken by Russ Barrow (EcoInsects). *H. depressus* image available under Creative Commons licence.

This project is supported by the East Gippsland Catchment Management Authority through funding from the Australian Government's National Landcare Program.
